
APPENDIX "A"
SCHEDULE 2

CERTIFICATE PROCEEDINGS
AREA CERTIFICATES/ALL UTILITIES

No.Copies
Required,
Including
Original

In addition to the original and twelve (12) copies of the petition, the following items are required:

- 13 1. If the utility has made any revisions to its corporate charter or its articles of incorporation since receiving its initial authority to operate, provide a copy of said revisions. If a partnership, provide a copy of any revision to the original partnership agreement. If there have been no changes, provide the docket number of the proceeding in which the company received its initial authority to operate.
- 13 2. If a corporation, the names and addresses of its board of directors, officers and any person owning fifteen percent (15%) or more of its stock. If not a corporation, the names and addresses of all owners or partners.
- 13 3. An outline map using Mississippi Department of Transportation county maps to a scale of one-half inch to the mile showing the existing certificated area as well as the proposed additional area.
- 13 4. A full legal description of the new area.
- 2 5. A map of sufficiently large scale to show boundaries of the proposed service area as well as relevant geographical features.
- 13 6. A general description of new facilities.
- 13 7. An itemized estimate of costs to the utility of all new investment.
- 13 8. A listing of all sources of funding.
- 13 9. An estimate of the impact of the cost of facilities upon rate base and rates. This item shall not apply to public utilities excluded from rate regulation pursuant to Miss. Code Ann. §77-3-1 or §77-3-5 or to public utilities heretofore or hereafter exempt by Commission order from rate base regulation or to public utilities whose rates are allowed, by Commission order, to be filed for informational purposes only.
- 13 10. The number of assured and prospective customers in (a) the new area; and (b) the existing certificated area.
- 13 11. A complete set of engineering plans and specifications.
- 13 12. A copy of any required approvals from Health or Environmental Quality authorities.
